

An Educational Workshop for Players with 0-200 Masterpoints

GETTING READY FOR TOURNAMENT PLAY

Saturday - January 12, 2019
Indianapolis Bridge Center (www.indianapolisbridge.com)
8030 Castleway Drive - Indianapolis, IN

The *Indianapolis Crossroads of America Regional* is just weeks away. Sharpen your skills now and be ready for action when the tourney takes place January 28-February 3, 2019 at the Wyndham Indianapolis West.

Join us for this pre-tournament skills-builder! Concentrate your efforts on becoming a successful tourney player and receive specific instruction on team events (Knockouts and Swiss Teams). You will finish the day having mastered techniques to improve your team play, as well as having learned how to score team events, plus much more!

Your registration fee includes the instructional program, packet of information, lunch, and a non-life master team game at 1 p.m. You must have attended the workshop to play in this team game. If you don't have a partner or a team, we will match you with a partner/team for the afternoon game.

BY THE END OF THE DAY, YOU'LL KNOW

- ⇒ The importance of tournament play in reaching your bridge goals
- ⇒ The difference between black, silver, red and gold points and how to get them
- ⇒ How to read the schedule and select between games such as Swiss teams, Knockouts, BAM, Barometer games, and Gold Rush events
- ⇒ The difference between Flighted, Stratiflighted, Stratified, and Bracketed games
- ⇒ The difference between IMP's and VP's in a team event
