ANY TEAM MAY PLAY in the Louisville Finals. You do not need to play in Indianapolis in the GNT Incentive Game to go to Louisville. However if you play on the 11th in Indy and do well, your team will earn a small cash incentive to help you with costs when you travel to Louisville.

To find more information about the Louisville finals, information will be available soon on the District 11 website www.district11bridge.com/. If you are a qualifier in the Louisville event and you go to the NABC, there are cash incentives from District 11 and from Unit 130 to help defray your expenses.
